Mrs B's Tea Selection

Afternoon Blend

Our afternoon blend is full-bodied, rich and refreshing, with a bright, inviting colour, making it the ideal tea for enjoying with Afternoon Tea.

Darjeeling

Darjeeling is known for its flavour and colour and is grown at high altitudes. There, the plants grow slowly which helps the flavour develop.

Earl Grey

Made with light black tea and natural bergamot oil. Bergamot is a pear-shaped citrus fruit from Italy.

Assam

Assam is renowned for growing powerful, invigorating tea. The leaves are plucked in the peak growing season in May and June.

Green Tea

The tender tea shoots are steamed to help preserve their goodness and keep the flavour fresh. It's a delicate, elegant green tea without a trace of bitterness.

Alternatively, filter coffee is also available upon request.
